## EXPERIENCE

### Product Designer

Evollis — Since March 2016 — Bordeaux

I'm the only designer of the team so I'm in charge of the Art Direction and also Front-End Development of the following projects : lease management saas app, international retail app on tablet, responsive leasing funnel, responsive e-shop, corporate website and emailings.

### Webdesigner

Freelance — Jan. 2013 / March 2016 — Bordeaux

I mainly made corporate responsive websites with Wordpress for local companies but I also had the chance to work on bigger projects like the Surfrider re-branding in 2015.

### Trainer

ESTEI — Sept. 2012 / March 2016 — Bordeaux

I taught Webdesign and Front-End Development with Wordpress and Foundation to Master students. It was a very challenging and rewarding experience for me.

### Webdesigner

MyGlobalBordeaux — Sept. 2012 / March 2016 — Bordeaux

I was the only webdesigner in this small startup and I worked on a media website design and also on a e-shop which sold boxes containing local products.

## EDUCATION
